

The title 'Carers Pledge' is centered in a large, bold, black font. It is surrounded by several stylized, multi-petaled flowers in various colors including green, orange, pink, and red. One large green flower is in the top left, a pink one is at the top center, an orange one is at the top right, and another green one is to the right of the title. A large orange flower is on the left side of the title, and a green one is on the right side.

We are committed to supporting our patients and value the input of families and carers and pledge

- 
- A list of three bullet points is presented. To the left of the first bullet point is a green flower. To the right of the second bullet point is an orange flower. To the right of the third bullet point is another orange flower. The text of the list items is: 'To work with you, in providing person-centred care for your loved one in hospital', 'To offer a Carers Passport Scheme, which includes open visiting', and 'To actively listen to you and act when we have not got things right for you or your loved one'.
- To work with you, in providing person-centred care for your loved one in hospital
 - To offer a Carers Passport Scheme, which includes open visiting
 - To actively listen to you and act when we have not got things right for you or your loved one

A paragraph of text is centered below the list. To the left of the text is a green flower. To the right of the text is a red flower. The text reads: 'Please introduce yourself to any member of staff and ask for details'.

Please introduce yourself to any member of staff and ask for details
