

# Social Worker/Care Manager

.....Help you to plan your future and promote independence .

.....For those who are eligible, find appropriate funding for support packages and source them as necessary.

.....Support you to identify and arrange somewhere suitable to live.

.....Support you to manage your money and signpost to the right benefits.

.....Help you find support to help you gain employment and leisure opportunities.

.....Arrange respite care at home or short breaks for unpaid carers when they need a break.
