

My Doctor is:

**What I should do if
my medication makes
me feel ill**

**I am taking
Lamotrigine**

The doctor wants you to take these tablets because you have mental illness or epilepsy.

You may feel funny when you take your tablets. Tell your family, your carer or your doctor if you feel like this.

- you have a headache

- you feel sleepy

- you have a rash anywhere on your skin

- you can't see properly

- you see double

- your skin goes blotchy in the sun

- you have bruises

- you feel very ill
