# I am taking Valproate

The doctor wants you to take these tablets because you have mental illness or epilepsy.

You may feel funny when you take your tablets. Tell your family, your carer or your doctor if you feel like this.

- you feel sleepy

- you are sick

- you may put on weight

- your skin looks yellow

- you have bruises

- you are bleeding

- you feel sick

- you have a runny tummy

- you are unsteady on your feet

- you feel confused
